

United Educators Modules and Training Resources

Provided by MSU Risk Management – RMI.MSU.EDU

Michigan State University has been a member of United Educators since 2000. United Educators provides educational institutions with many types of risk management services, including on-line training courses focused on the exposures within higher education organizations. Here is just a sample of the on-line courses available:

- **Protecting Children from Sexual Misconduct**
- **Driver Safety**
- **Contracting and Risk Allocation**

IMPORTANT NOTE: To access this training, you must have a valid Michigan State University e-mail address (....@msu.edu)

Here is how to register and begin to learn:

Step 1: Log in to www.edurisklearning.org

Step 2: Click “REGISTER NOW” to create a new user name and password
Complete registration page with user name, first name, last name, MSU e-mail address and other identifying information (Employee ID and Student ID do not need to be filled in)

Use Institution Code: 1126-UN37-XY12

A confirmation email will be sent to your MSU e-mail address

Step 3: Log in using newly created user name and temporary password
You will be prompted to reset temporary password with permanent password

Step 4: Select the program from the course offerings you would like to view by clicking
“Launch Learning Program”

In addition to the module on “Sexual Misconduct,” you are free to access all of the modules on this site.
